• Hoku and Michelle Swartman represented McCloskey and Company in the Fore! Education Golf Tournament, a benefit for Kaua'i public schools leadership programs, on Sunday, Nov. 9 at Po'ipu Bay Golf Course. Great job!

• A big mahalo to the McCloskey and Company crew, under the direction of Jeff Rivera, who assisted an Anahola school in cleaning their surrounding lawn area. It took the team two afternoons in October to mow the area that was seven feet tall in some places.

Kaua'i United Way Fundraiser

"Share Your Aloha for Kaua'i" was the theme for this year's Kaua'i United Way fundraiser, and McCloskey and Company employees did just that! McCloskey and Company achieved 100% participation, which means

every single employee made a donation, which totaled \$589. Combined with a matching donation from McCloskey and Company, the total amount collected for the Kaua'i United Way was \$1,178. Way to go!

All employees had their names entered into a drawing for a \$50 Safeway gift certificate. And, the lucky winner was Ryan Rivera! The Kaua'i United Way supports 23 local non-profit agencies on Kaua'i, and importantly, every dollar raised will stay on Kaua'i. Mahalo to Kymry Perez for leading this effort and to all who gave generously.
